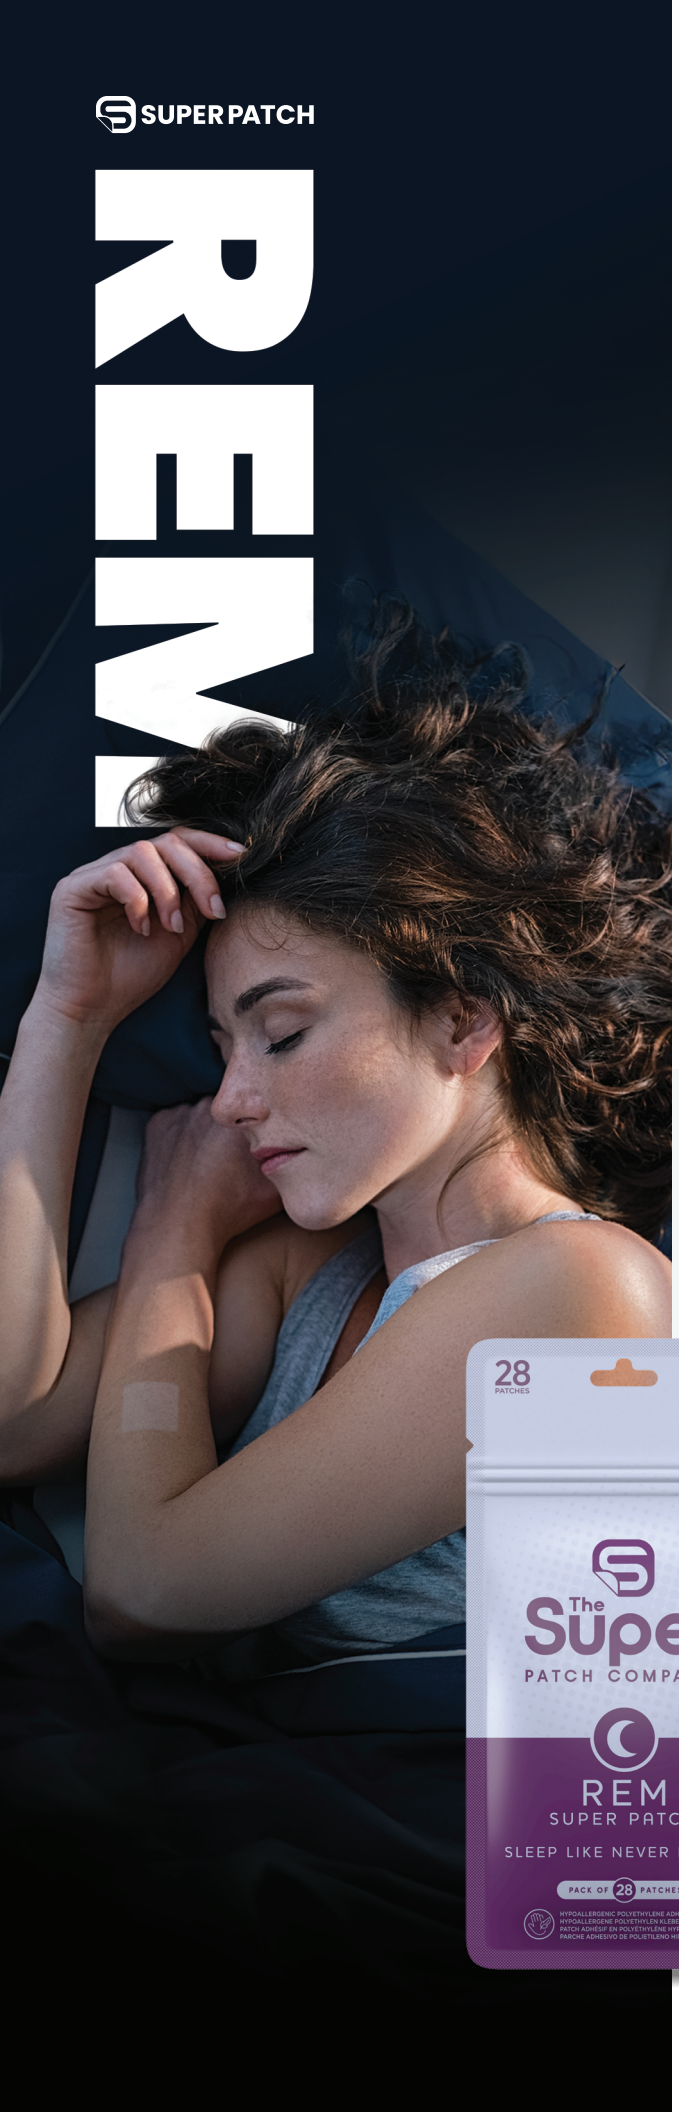
SUPER PATCH

REM



GIVE YOURSELF THE REST YOU NEED

REM Super Patch is designed to help generate longer, deeper sleep patterns. This safe, all-natural, non-invasive, and 100% drug-free patch has no ingredients or side-effects. REM helps activate the mind to body's connection that supports a better rest period and a wide-awake morning. Experience sleep the right way.

Enjoy every morning. Take on your day.
And live healthier with Super Patch.

UNIQUE TECH. COMPLETELY NATURAL.

Super Patch's proprietary VTT technology enhances the connective bond between your mind and body. Each patch acts as a connector by using ridged contours that can help activate a specific neural response benefit.

While wearing a patch, your brain and body respond naturally to help generate more restful sleep, pain relief, athletic power, enhanced balance and stability, positive moods and more.
